ALVAMAR GOLF CLUB

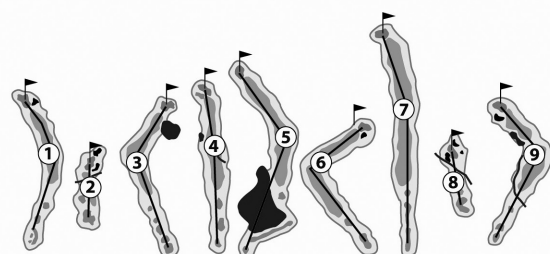

- THE CHAMPIONSHIP COURSE WAS NAMED ONE OF AMERICA'S TOP-75 PUBLIC COURSES BY *GOLF DIGEST*
- THE MEMBERS COURSE WAS INCLUDED IN THE "BEST IN STATE" RANKINGS BY THE KANSAS GOLF ASSOCIATION
- RANKED AMONG THE TOP 75 BEST PUBLIC COURSES BY *USA TODAY*

Alvamar Golf Club was opened for play May 15, 1968, with the two original nines, Jayhawk and Quail Creek, joined by the Hidden Valley nine in 1973. The Sunflower nine opened in 1978 and in 1982, the Hidden Valley and Sunflower nines became Alvamar Country Club.

Alvamar was named by developer and one time men's golf coach Bob Billings from the contraction of the names of his parents, Alva and Margaretta Billings of Russell, Kan. In all, Alvamar Golf Club and Country Club encompasses more than 3,000 acres of west Lawrence. The 36 holes at Alvamar were designed by Mel Anderson and Bob Dunning and include a public and private clubhouse, driving range and three practice greens. The two courses at Alvamar were the first in the

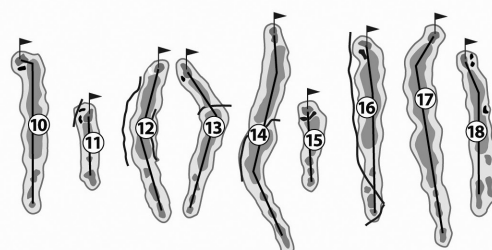

United States to utilize zoysia grass for its fairways and tees. The course currently uses cohansey bent green on both surfaces.

In 1991, Alvamar Country Club hosted the Kansas Amateur. Alvamar Golf Club annually hosts the Kansas Open and has been the site of the United States Golf Associations Women's Public Links tournament. It was the site of the Big Eight Conference Men's Championship for eight consecutive years, and in 1990, the Big Eight Conference Women's Championship was held at Alvamar and won by the Jayhawks. Alvamar Golf Club hosted the inaugural Big 12 Women's Championship in 1997 and has been the site of the KU men's Kansas Invitational and women's Marilynn Smith Sunflower Invitational.

KNAPHEIDE FAMILY PRACTICE FACILITY

The Kansas women's golf program added a new member to the Jayhawk family in 2008: the state-of-the-art Knapheide Family Practice Facility.

The practice facility includes four heated hitting bays to go along with cutting-edge swing technology.

The bays are part of a climate-controlled facility that allows the Kansas golfers to hit balls out into the driving range at Alvamar Golf Club.

The facility is equipped with three smaller bays in addition to the one larger bay. The larger bay features a V1 video system, along with a Trackman radar launch monitoring system.

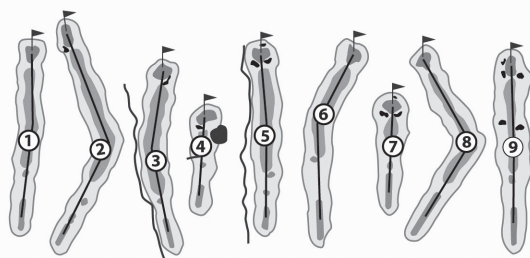

Each smaller bay is equipped to provide two putting holes along with mirror technology that monitors the fundamentals of the golfers.

Five different golfers can use the radiant heated facility with three golfers in each of the small bays, along with two golfers utilizing the larger bay, at one time.

Having been honored as one of the "Best maintained golf courses in the United States" by *Grounds Maintenance Magazine*, Alvamar continues to improve its attractive golf venue. At Alvamar Golf Club, the Director of Golf is Dave Dunn, while Dick Stuntz serves as head professional at Alvamar Country Club.

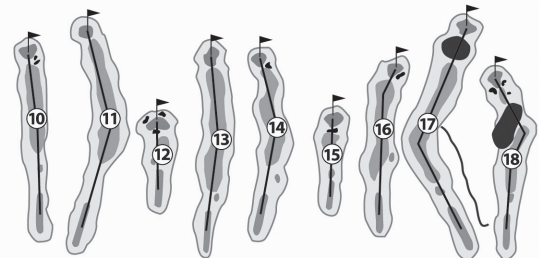

Alvamar Country Club is considered one of the finest golf courses in the state. Alvamar's reputation is one of the reasons KU attracts some of the top golfers in the country.

In addition to Alvamar's public and private courses, golf options in Douglas County include Lawrence Country Club and Eagle Bend Golf Course. Furthermore, there are more than 20 golf courses within an hours' drive of campus.

1. THE NICKNAME: JAYHAWK

The University of Kansas is home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas. The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter.

2. THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

3. CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southwest of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

4. THE K RING

The K Ring symbolizes a uniquely shared experience between generations of varsity letter winners at the University of Kansas. As a Jayhawk you are expected to uphold tradition and retain the characteristics of a champion while continuing to create your own legacy.

5. WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans "wave the wheat" when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

6. K RING RECEPTION

At the 2013 K Ring celebration, the Jayhawk seniors received their K Rings. From left to right: Coach Erin O'Neil, Audrey Yowell, Coach Katy Nahm.

FALL 2013 RECAP

Two team titles, two runner-up finishes, and five top-5 finishes highlighted a wildly successful fall 2013 campaign for the Kansas women's golf team.

The Jayhawks started the season strong at the Cardinal Cup, hosted by Louisville, finishing second and trailing only the host Louisville Cardinals. Led by sophomore Yupaporn Kawinpakorn's second-place finish, the Jayhawks finished 12 strokes better than third-place Louisville (B). Kawinpakorn finished alone in second-place after firing a 54-hole total 213 (72-68-73).

A week later, the Jayhawks successfully defended their 2012 title at the Marilyn Smith Sunflower Invitational, held this year at Colbert Hills Golf Course in Manhattan, Kan. The Jayhawks, with a three round total 910 (303-299-308), finished 16 strokes ahead of the second-place Kansas State Wildcats. Three Kansas golfers finished in the top-10, including tournament champion Meghan Potee, who shot a 54-hole total 224 (75-75-74). Fellow senior Thanuttra Boonraksasat took second-place at 227 (78-74-71). Junior Minami Levonowich finished in eighth at 232 (78-76-78).

Next, the Kansas women travelled to Austin, Texas, to compete in the 2013 Challenge at Onion Creek, held at Onion Creek Original Course. The Jayhawks fired three-straight sub-300 rounds to finish in fourth at 876. The Challenge at Onion Creek marked the second-straight top-10 finish for Thanuttra Boonraksasat, who finished in sixth at 216 (72-70-74). It also marked the second top-10 finish for sophomore Yupaporn Kawinpakorn, who finished in a tie for seventh at 218 (74-71-73).

The same weekend the team competed at the Challenge at Onion Creek, the Jayhawks sent three golfers to compete as individuals in the 2013 UMKC Invitational, held at Shoal Creek Golf Course in Kansas City, Mo. Junior Gabriella DiMarco recorded a top-10 finish at the event. She shot a 75 in the final round to finish tied for ninth at 230 (72-83-75). Sophomores MacKenzie Thayer and Carly Humes also competed in the event, finishing in 21st and 55th, respectively.

Following a much needed break, the Jayhawks travelled to Iowa City, Iowa, to compete in the Diane Thomason Invitational, held at Finkbine Golf Course. Led by sophomore Yupaporn Kawinpakorn's second top-2 finish of the season and third top-10 of the fall season, the Jayhawks finished second at 904, trailing tournament champion Illinois by only five strokes.

The Jayhawks concluded the fall campaign on a high note as they captured their

second tournament title of the season at the Palmetto Intercollegiate, held at Turtle Point Golf Course in Kiawah Island, S.C. The Palmetto also marked the coming out party for freshman Pornvipa Sakdee, who recorded the first top-10 finish of her career as she finished in seventh. Meghan Potee and Minami Levonowich also finished in the top-10, each in a tie for seventh at 227.

"I'm very proud of the team and what we accomplished this fall," head coach Erin O'Neil said. "We are doing a great job of getting ourselves in a position to win at each event. Now we need to adjust to being in that kind of situation and learn to finish even stronger"

In all, the Jayhawks had four golfers notch multiple top-10 finishes to lead the team to five consecutive top-5 team finishes and two tournament titles. The Jayhawks will look to carry the winning momentum to the spring portion of the 2013-2014 campaign. The team returns to action February 14-16 in Tallahassee at the FSU Match-Up Invitational.

Seniors Thanuttra Boonraksasat and Meghan Potee finished 1-2 at the 2013 Marilyn Smith Sunflower Invitational.

UNIVERSITY CHANCELLOR

DR. BERNADETTE GRAY-LITTLE
FOURTH YEAR

Since arriving at the University of Kansas in 2009, Bernadette Gray-Little has advanced KU's mission of lifting students and society by educating leaders, building healthy communities, and making discoveries that change the world.

Through the Bold Aspirations strategic plan, KU is changing the way it prepares students for success. It's fostering research and scholarship across all disciplines, and sharing the benefits of a flagship university with the state and world.

Gray-Little led the effort to create new admission standards for the University of Kansas. These new standards take effect in 2016 and will give students and families a more accurate picture of what it takes to be successful at a research university.

Under Chancellor Gray-Little's leadership, the university has also revamped financial aid, creating four-year renewable scholarships and expanding the Jayhawk Generations Scholarship. And it has launched its first university-wide curriculum, the KU Core, which incorporates both classes and experiences, making KU a leader among its national peers.

Gray-Little has also been instrumental to Far Above: The Campaign for Kansas, KU Endowment's \$1.2 billion comprehensive fundraising campaign. Additionally, the university's Changing for Excellence initiative is making administrative operations more efficient, with the savings being invested in education and research.

As chancellor, Gray-Little is the chief executive officer of the university, overseeing campuses in Lawrence, Kansas City, Overland Park, Salina and Wichita, as well as research and educational centers in Garden City, Hays, Parsons, Pittsburg, Topeka and Yoder.

Gray-Little was one of four university leaders selected to represent the Association of Public and Land-grant Universities at a White House summit on math and science education in January 2010. She is also on the board of trustees for the Online Computer Library Center, an international organization dedicated to expanding public access to information and research.

Prior to becoming KU's 17th Chancellor, Gray-Little held leadership positions at the University of North Carolina-Chapel Hill, including executive vice chancellor and provost.

Dr. Sheahon (SHAY-un) Zenger is a coach at heart. But when KU Chancellor Bernadette Gray-Little introduced the Hays, Kan., native as KU's Athletics Director January 3, 2011, he promised not to call any plays for the coaches. That doesn't mean, though, that he won't be right there with them - and their student-athletes - every step of the way. For it's his genuine care for coaches and student-athletes that has stamped his career in intercollegiate athletics.

Zenger comes to KU after serving for five years as athletics director at Illinois State University, helping steer ISU Athletics to a place of prominence in the Missouri Valley Conference. The Redbirds won a conference-leading seven league titles during the 2009-10 season and captured their second Valley All-Sports Trophy in three years.

At the beginning, Zenger wasn't headed toward a career in administration. He was nine years old when he told his father he wanted to be a coach, and it didn't take long for that dream to materialize. After playing football at Fort Hays State and Mid-American Nazarene College, he finished his undergraduate degree at Kansas State. Even before he received his bachelor's degree in English and secondary education in 1988, Zenger was assisting the football coaches at Manhattan (Kan.) High School. His first college football coaching job came at Drake University right after graduation.

In 1989, at age 23, Zenger joined Bill Snyder's staff at Kansas State as one of the nation's youngest full-time football staff members; he served in key roles as assistant recruiting coordinator and director of football operations. Zenger completed his master's degree in journalism and mass communication in 1992 while helping Snyder bring Wildcat football to unprecedented success.

It became evident, though, that more than coaching was in store for Zenger. He sought advice from then-KU Chancellor Gene Budig, who convinced him to pursue a Ph.D. at KU. As he completed his Ph.D. in educational policy and leadership (1996), Zenger contributed communications and special projects support to the office of the executive vice-chancellor, Ed Meyen, and wrote the professional life history of then-chancellor Del Shankel, while strengthening his understanding of university leadership at the highest levels.

While focusing his attention on academics, he managed to stay involved in the world of intercollegiate athletics, and specifically football. 'Involved' may be an understatement. In 1993 Zenger and a friend founded American Football Quarterly, a magazine for coaches. Zenger served as publisher - and then editor - until 1995, when he sold his share of the by-then-thriving magazine.

Still, coaching stayed in his blood. After earning his doctorate, Zenger in 1996 signed on as the recruiting coordinator for the brand-new NCAA Division I football program at the University of South Florida. A year later he joined the University of Wyoming football staff as recruiting coordinator and within two years rose to assistant head coach, a position he still considers one of the crowning achievements of his career.

Zenger stayed at Wyoming through the 2000 season before returning to Kansas State. He spent a year in the KSU College of Business, raising more than \$2 million and restructuring its development program with research and planning. He rejoined KSU Athletics in 2001 as assistant athletics director for major gifts, helping KSU initiate important development strategies. In 2002 he was appointed KSU's associate athletics director for development, a position he held until 2005, when he was named Athletics Director at Illinois State.

A published author and researcher, Zenger served for three years on the NCAA Division I Committee on Student-Athlete Reinstatement. He also served on two NCAA Division I Football Championship Subdivision (FCS) Division committees, and was a member of the Executive Committee of NACDA's Division I FCS Athletic Directors Association.

He is also a member of many professional and university organizations, including the National Association of Collegiate Directors of Athletics (NACDA), the Association for the Study of Higher Education and the American Football Coaches Association.

Zenger is married to the former Pam McAnarney. The couple has three children: Luke, Abby and Jake.

MARILYNN SMITH

At age 73, Marilyn Smith remains an influential figure in the world of women's golf. Smith, who resides in Richardson, Texas, continues to actively teach at the Firewheel Golf Club in Dallas. A native of Kansas, Smith was one of the original 13 founders of the Ladies Professional Golf Association (LPGA) in 1950. She is a charter member of the organization and remains active today in a variety of areas related to the LPGA.

Before creating the LPGA tour, Smith won the Kansas Women's Amateur Championship from 1946 to 1948. She arrived on the Kansas golf scene from Wichita. Her two-year career at Kansas was highlighted by a 1949 National Collegiate Individual title. Following the title, Smith accepted an offer from Spaulding to turn pro at \$5,000 a year. From 1954-72, she won at least one tour event in 14 of 19 years.

Smith's contributions and honors include serving as the two-year president of the organization she helped found. She was the first ever female television commentator for a men's professional golf tournament in 1973. In 1979, Smith received the inaugural Patty Berg Award for distinguished service to women's golf. Golf Digest presented her the LPGA Founders Cup for charitable service off the course in 1983. She was selected as one of the Distinguished Champions of the Vincent T. Lombardi Tournament in 1987. The award recognized leadership in sports and demonstration of high ideals of public good. Smith was inducted into the Women's Sports Foundation International Hall of Fame in 1991.

Smith won 22 times on the LPGA tour, including the 1963 Titleholders, one of the major women's events at the time, in an 18-hole playoff over Mickey Wright.
