

Kansas Athletics

**State Employees Ticket Request Form
Football 2012**

Name: _____

Department: _____

Kansas Athletics' complimentary ticket policy outlines that two (2) complimentary tickets are available to each full-time benefit eligible employee. State employees, assigned to Kansas Athletics, may request tickets via this form for a single home football game. Single game reserved tickets may be picked up at will call on the day of the event. For individual game tickets, this Ticket Request Form must be returned to the ticket office no later than one week prior to the event. You will be guaranteed a seat unless this form is received after the game is sold out. The value of complimentary tickets reserved in advance will be added to your annual taxable income and are subject to state and federal taxation.

For non-reserved tickets, complimentary tickets may be available, but only for games that have not been sold out. You are not taxed for non-reserved tickets which are picked up at will call on the day of the game. However, these tickets are only distributed on a "first come, first served" basis and cannot be held for you should the game sell out prior to your will call pick up. You are not guaranteed a seat nor are you guaranteed a section location. You may indicate on this form if you are interested in any games so the ticket office will be able to inform you whether non-reserved complimentary tickets may be available for the game(s) selected. * You would not be taxed on these tickets as they are non-reserved and can only be picked up on game-day based on availability.
