

Seasons of Competition

- You have five (5) years once you enroll full-time at any collegiate institution to use four (4) seasons of eligibility
 - One second of one game = one season used
 - Exception: medical redshirt (must meet qualifications)
 - Automatic redshirt (did not participate in any contests)

Academic Requirements: The Basics

To maintain eligibility, you must achieve the following:

Maintain a full-time schedule (at least 12 credits) unless graduating in last semester

*Grad school (at least 9 credits)

Pass six (6) credit hours each semester

Earn 18 credit hours each year (24 for freshmen)

Academic Requirements (Cont.)

Entering your 3rd semester of college enrollment, you are required to meet the following percentage of degree and/or GPA requirements:

Semester	Percentage Required	KU & Overall GPA Required
3	24 Credits	1.8
5	40%	1.9
7	60%	2.0
9	80%	2.0

Baseball: You must be eligible in the fall to be eligible for competition in the spring

Academic Fraud/Misconduct

- You have an ethical obligation to complete your own academic assignments
 - Your tutors are not meant to do your homework for you
- Plagiarism, cheating, falsification, tampering or grades will render you ineligible and most likely expulsion from the university
- If ever approached by any university or athletics administrator, it is in your best interest to be honest and upfront
