# UNIVERSITY MEN'S AND WOMEN'S QUOTES

Wilson Koech, Barton County Community College, Winner of the Men's 10,000 Meters:

On running the 10,000 meters for the first time (normally competes in the 3,000-Meter Steeplechase)-- "I have never run the 10,000 meters before. Two weeks ago I told Coach that I felt strong. I told him that I felt like running the 10,000."

On the pace of the race: "He (Malcolm Campbell) set a good pace. Coach just told me he wanted me to go out and do the best that I could."

Lamont Leach, Barton County Community College, Runner on the men's sprint medley relay:

On the close finish: "I was worried because I knew he was right there, but I just gave it everything I had. I don't like having a big lead. I like running right with someone."

Falasha Spruiell, Barton County Community College, Runner on the women's sprint medley relay:

On the wind: "I thought about it a lot because I was really nervous. It really affected me mentally because I had to concentrate more."

Scott MacDonald, Michigan University, Anchor of winner of 4 mile relay:

On the wind: "The wind was really bad on the backstretch, I think that's why all the teams times were so slow."

On anchoring: "I know Michael Cox, and I know how fast he is, but the gap he had to to make up was just too far."

Sonja Graham, Barton County Community College, Runner on 4x200 relay:

On pressure to win: "We have a lot of good freshman, so we weren't really concerned. We have good coaches too, so there wasn't a lot of pressure to win."

On the wind: "The first and third curve was really bad, and if it weren't for the wind, our times would have been much better."

# UNIVERSITY MEN'S AND WOMEN'S QUOTES

Joy Inniss, Eastern Michigan, women's long jump:

On the win: "I was pretty confident that I could win the long jump because I'm an all-American in the triple jump."

On the competition: "There was very good competition here, but I'm used to that. This is a PR for me in outdoors, so it is very good for this time of season."

Inez Turner, Barton County Community College, women's 800 meters:

On the win: "Right now I'm working more on sprinting and speed rather than endurance. I ran a 2:02 when I was 17 and now I'm 20, so I think I can run under 2 minutes before the season is over."

On the wind: "The wind was kind of tough on the back stretch, but I just kept on pushing."

Shaun Benefield, Drake University, men's 800 meters:

On the race: "It was slower than usual, it was very even and controlled. My coach told me it would be a kickers race, and it was, and that's my kind of race."

On the wind: "The wind really knocks your stride down, and it was kind of bad, but I was running for the win and not for the time."

Tommy Jordan, Missouri, men's pole vault:

On his win: "It was a great feeling to win the relays. Four years ago I won in high school, and it feels pretty good to win again."

On the wind factor: "I thought the wind worked for me more in this meet than some."

Krista Mader, Nebraska, women's shot put:

On her throw: "I got mind into it making a good throw, I improved every throw in the finals."

Steve Duren, Barton County Community College, men's long jump:

On his injury: "I've been out six weeks with a hamstring injury and this is my first outdoor competition. I also didn't get much sleep because we left at 3 a.m. to get here, so I'm real proud of my win and my jump."

on the competition: "The competition here is nice. When the competition started rolling, I started rolling."

On his relay: "I tested my hamstring in the 3rd leg of the 4x100 relay and it is feeling good." (The Barton relay team is seeded first in the relay going into finals)

## UNIVERSITY OF KANSAS QUOTES

Jon Handy, Kansas, Distance-Medley Relay (led off relay)

On his start: "I was worried about the wind, so I stepped back initially and was going to wait for my kick. Had I went out faster things might have been different."

On leading after first leg: "I brought it in as well as I could, but the other teams just had great runners in the other events (in the relay). Nobody ran a PR (personal record) for us today, so we're kind of disappointed."

Lynn Crawford, 110-Meter hurdles

On the conditions: "The weather didn't affect my performance. I just enjoy running at home."

Nick Johannsen, highjump:

On transition to indoors: "It really didn't matter, I was warmed up and ready to go outside, but it was nice to get out of the rain."

On his performance: "It's not my best height. I am kind of in a rut. I just can't seem to make it over seven feet."

# UNIVERSITY MEN'S AND WOMEN'S QUOTES

Latricia Joyner, Kansas City Community College, Winner of the Women's 100-Meter Dash:

On the race: "The rain got me really tight, but the overall competition was pretty good."

On her expectations: "I just wanted to come in and run my best and get good times."

Michelle Stirrett, Barton County Community College, Winner of the Women's Javelin:

On the wind: "I like the wind. It's a mental factor for me. In my mind I pretend I can turn it on or off."

On her performance: "I was glad I went over a 150 feet, because now I know I'm capable of doing it."

Adrian Fuller, Eastern Michigan, 1st leg of women's mile relay champion:

On the race: "It feels so good. We did pretty well, but we expected a little more competition. But we can here to win the one mile relay, and we won the one mile relay. It feels good to go home a winner."

Dante McGrew, Kansas State, Triple Jump Winner:

On illness: "Since I had the chicken pox all last week, I approached this meet as I have to get in six good jumps, and I think I did that."

On his tie for the longest jump: "Since I tied for the longest jump, they went to the second longest jump and I got lucky. You jump to win, but I'll take this win."

Joey Woody, Northern Iowa, anchor of champion mile relay team:

On the race: "I feel really great about it (the race). I got the baton just where I needed it and I just took off."

On the competition: "Earlier in the meet I slipped and fell in the 400 hurdles so that really motivated me for this race. The competition was great. I am just a freshman, and this is just as good as it gets."

Scott Huffman, unattached, Invitational Pole Vault Champion:

On transition from outdoors to indoors: "It really didn't make a difference. I was all warmed up and ready go and I got all wet and had to go home and change. I pulled my right hamstring in a jump, but I competed anyway because it's the Kansas Relays."

On the competition: "It was an off day for everyone. Everyone was all fired up because it was nice out. It took the edge off of everyone's performance, because it's such a disappointment to have to come inside."

cameron Wright, Southern Illinois, Highjump Champion

On the rain delay: "I felt good today, but we had a three hour wait. Luckily I felt real fluid and I thought maybe today is my day."

On the miss at 7'5": "7'5" seems so low today that I can't believe I didn't make it. When your approach is on and mine was on today, the bar just seems lower."

On three people at last clearance: "I wanted them to clear so they would push me. I have no vengeance against other jumpers."

# UNIVERSITY MEN'S AND WOMEN'S QUOTES

Inez Turner, Barton County Community College, Winner of the 400-Meter Dash:

On the competition: "I think the competition is better than last year. Right now I'm keeping some energy for my other races today. "

On plans after junior college: "I'll be leaving next fall. I have one more cross country season. I've got the training. Now all I need is more speed. I think I can run faster. I have 49.0 and 1:58.00 written on my shoes. I'm still aiming to run faster with the help of the Lord."

Lamont Leach, Barton County Community College, Winner of the 400-Meter Dash:

On plans after junior college: "I'm going to keep on competing until I die. I haven't made up my mind where I'm going after this year. Right now I'm just concentrating on what I'm doing here."

John Bazzoni, Kansas, Men's Pole Vault Winner

On his performance: "We jumped yesterday, but my legs felt fine this morning. There was no pressure on us today. Tony Van Pelt (Michigan) and I just went out and had a ball."

"I was a little tired when I got here this morning. It was early and kind of chilly when we got here. The adreneline began to pick up for me and the sun came out. That always helps. It was just a great day."

Art Siemers, Illinois State, Anchor for men's distance medley relay:

On the relay's performance: "I feel pleased. I didn't want them to catch me, but the wind was a factor."

Molly McClimon, Michigan, Anchor for women's distance medley relay:

On the win: "We were really excited about coming into this event. Our goal was to win it, and that goal was accomplished."

On the competition: "We knew Barton County would be our toughest competitor, but I felt good after the first lap and I knew that we had it after my last 300 (meters).

Jöhnny Westbrook, Northern Iowa, Winner of the 100-Meter Hurdles:

On the rain: "The rain really throws off the times, but I'm really please with my performance."

On the competition: "The competition was really good, especially from my own teammates. They really helped push me."

Denise Brungradt, Wichita State , Winner of the Women's 100-Meter Hurdles:

On her performance; "It was outstanding. I never expected it to be that good. It's the first time we've run with the wind. Usually, we have to run against it."

Richard Kosgei, Barton County Community College; Winner of the 3,000-Meter Steeplechase:

On the rain: "It didn't really have an effect on my performance. I did better today, but I can still improve."

# UNIVERSITY OF KANSAS QUOTES

Julia Saul, 1st in 10,000 meter:

On the win: "Last year I was getting ready for a big 10,000 meter race the week after the relays. This year I switched events early, and you don't want to do too many in one season. I am going to run the 10,000 at the Big Eight. You can get burnt out if you run too many in one season."

On provisional qualifying mark: "Last year most of the provisional 10,000 meter qualifiers got in. I felt comfortable today and I did it by myself. Maybe I will be a little faster in three weeks so I can qualify automatically at the Big Eight. But at the Big Eight, qualifying isn't the big thing. If I can win and qualify, that would be great."

Teresa Reichert, Winner of the Women's discus:

On her performance: "I didn't take many warmups - maybe, that's why I did so well. The wind was just right. I felt good that I broke my personal record. I felt more comfortable competing here in front of the home crowd. It helped me be more consistent."

Amy Rodehaver, 400-Meter Dash:

On her first open quarter: "I'm not used to the open quarter. I haven't run this race since high school. I run the quarter in the relay, so it's not like this is totally new to me."

On not using a starting block: "I thought it would be easier on me not to use the blocks because I haven't had to use one since high school. "

On the finish: "I have a lot stronger finish than most people here, so I tried to get out a little faster."

Daniela Daggy, 3,000-Meter Run:

On the competition: "I'm not used to going out that fast. The field was faster than I expected."

On being cut-off: "It was tough out there. I got cut-off once, but I also think I cut off my own teammate."

Mary Beth Labosky, 1st in women's high jump:

On winning the Relays high jump: "Competition was close, so I'm glad I was in Kansas. I enjoyed ending on top. I felt really good today. This is third straight Relays victory and I feel really good about that."

On Gwen Wentland: "Gwen and I went back and forth a lot today, but we're really good friends and it's nice to compete with someone you get along with. I really enjoy being around her."

On limited practice time outdoors: "Since the weather hasn't been good, we've done all our practicing inside. This was my first time outdoors and because of the downward slope, I felt totally off. I had to move my approach back 12 feet and it took a little adapting. I had to think and adjust."

On her mental preparation during competition: "I listen to Whitney Houston's "I'm Every Woman" and a little Van Halen. Before the big meets I listen to my visualization tapes. You can hear yourself performing the ideal. You have to put trust in the tapes and listen to them."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

Jessica Acton, Bishop Miege, Winner of the girls' javelin: 139-8

On the victory: "I've improved this meet. It's been cold. I've just improved a lot."

On the wind: "It bothered me. I just had to block it out and concentrate on my throw."

Jason Stuke, Seaman, Winner of the boys' shot put: 58-5 1/2 (Seaman school record)

On his performance: "It was my farther threw. This broke the school record (57-11)."

On the wind: "There wasn't much wind with the stands here. There wasn't as much as there will be in the discus."

Angela Showalter, McPherson, Winner of the girls' 300-meter hurdles:

On running in lane eight: "Last year I was in the same spot and I messed up bad.

I almost fell because one of those door swung open. I hate running in lane eight. I feel like a rabbit running from the greyhounds."

On the wind: "It's good at the start because it forces you to tuck your head and it makes you run faster. You don't feel like you're going anywhere."

Kyle O'Neill, Bella Vista (California), Winner of the boys' 300-meter hurdles:

On the race: "I just go out and run my race. I'm coming off a hamstring injury. There was a strong wind out there, but I was hoping to run a better time. I can live with it though."

Erin Windler, Blue Spring South, Runner on the girls' distance medley relay winner:

On nearly breaking the meet record: "We were-so close. I'm kind of disappointed but I'm just glad we got a chance to run. This was only the second time we've been able to run this year."

Eric Richard, Jenks, Runner on the girls' distance medley relay winner:

On the final lap: "I wanted to try to run away from him because I didn't think I had my kick, but evidently I got it back."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

Winston Tidwell, Topeka West, Winner of the 800-meter hurdles:

On his effort:

"I was really pleased. I feel good but my legs are really heavy."

Katie Panek, Garden Plain, Winner of the girls' discus:

On her victory: (Garden Plains is the smallest school competing in the Relays)

"I wish I would've thrown better. This wasn't my best throw. When I came here, I was really scared because I thought it would be tough against the bigger schools, but I was able to keep my calm when I threw and that gave me the edge."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

Tina Buckner, Kapaun Mt. Carmel, Winner of the 100-Meter Dash:

On the weather: "I got a good start, and that helped. It was different running in the rain. I have never run in the rain before but my coach was working on my starts and I feel that helped. The only bad thing was that it was cold and my muscles were a lot tighter than usual."

Maurice Greene, Schlagle, Winner of the 100-Meter Dash:

On the race: "The weather didn't bother me at all. It just hyped me up because I knew it would be fun. I've never run in the rain before."

Laquita Cooper, Jenks High School, Anchor of winning mile relay:

On the race: It was tough. The only thing I was thinking in the backstretch was win. The weather tightened up my legs, but we're used to it because we've only run one meet in good weather."

Terelle Berry, Schlagle High School, Anchor of winning mile relay

On the race: "I feel really good. It was a great team effort. We tied our personal best and the competition was really strong."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

Katie Montague, Shawnee Mission NW, Anchor of the girls' two-mile relay:

On the win: "Our goal was to win and our chances were good. I was really impressed with my sister this year. She was our second leg on the relay."

Winston Tidwell, Topeka West, Anchor of the boys' two-mile relay:

On the competition: "The competition at the KU Relays is a lot tougher than our state competition. This is the toughest competition we have."

On winning his second event: "I really didn't think I was going to win it all, but my teammates helped out a lot."

Martin Lewis, Liberal, Winner of the boys' triple jump:

On his performance: "I didn't think I could jump that far, but I'm very pleased with my performance. I wanted to come out with a win, but the record would've been nice."

Tina Buckner, Kapaun Mt. Carmel, Winner of girls 400 meter dash:

On the win: "It felt good winning. I was very happy because I wasn't expecting it. I just came to run my race."

Brian Martin, Lawrence, Winner of boy's 400 meter dash:

On the win: "It felt good, because it was my first medal here, and I 've been here for three years."

On the competition: "It is not as an important race as the state race, but it felt almost as good winning it."

Jaschelle Sasser, Metropolitan High, Winner of the triple jump:

On the Relays: "I was really excited to compete here. This is a big meet and I feel like I performed well here."

On the competition: "Everybody in this event competed well, and that's what makes my victory even better. I was pleased with my performance today, but I hope to improve in the rest of the season."

Heather Burns, Booker T. Washington, Winner of the 100-Meter Hurdles:

On the weather: "It was pretty cold which makes it hard to run well when you can't get your body warm or break a sweat."

On the competition: "I was expecting a good race and people pushing each other. I was hoping to break 14.5, but I was pretty pleased with the way I ran."

Tempree Hayes, Kansas City East Magnet, Winner of the Boy's 100-Meter Hurdles:

On the win: "I should have won this event two years ago when I was a sophomore, but I didn't, so this win today is really important to me. I knew I had it all along. These guys were just weaker than I was."
