# UNIVERSITY MEN'S AND WOMEN'S QUOTES

NICOLE GREEN, 4TH LEG, SPRINT MEDLEY RELAY, first place , KANSAS STATE

ON COMING FROM BEHIND: "For a minute, I thought that we were to far behind. I was more comfortable with KU in the lead than us."

Anchor, Sprint Medley Relay, first place, NORTHERN IOWA , Miklos Arpasi

ON THE COMPETITION: "It was average. I went to Tennessee. I prepared for this meet like it was the Drake Relays. I would like to qualify for Nationals."

MARK MILLER, Third Leg, Men's Four-Mile Relay, first place, Loyola-Chicago

On the Relays: "It's a lot of fun. We thought we had a good chance to win. As a person I like this relay."

On the team's performance: "We thought we'd be in the top three or four after the first leg. We came to win."

CHUREE ROBINSON, Freshman, Johnson County CC, Women's 800-Meter Relay, first place

ON THE RACE: "We felt pretty good, it was difficult because I had to take a standing hand off."

ON PREPARATION FOR TODAY: "This was my first as a team, but we prepare for it the same and our goal is to win."

EUGENE FRAZIER, Men's College 800-Meter Relay, Cloud County CC, first place

ON THE RACE: "This race was perfect for me because I ran with guys I ran with in high school. It was fun because we talked both before and after the race."

ON HIS FRESHMAN YEAR: "Our team stayed strong all year. We tried to stay healthy. We have strong depth, and the fill-in for the first leg didn't hurt us."

CHERYL EVERS, Kansas, Women's Shot Put

ON HER MOTIVATION: "My brother's performance in yesterday's decathlon really excited me and motivated me to go out and perform well. We have a friendly rivalry and we are very close. It's also extra-special that our parents were able to come see us this week."

ON THE COMPETITION: "I knew this year's field well. Any one of us could have won. I got lucky."

ON HER SENIOR YEAR: "It being my last year at KU, it really felt good to get my first win at the Relays. I started to think I wasn't going to ever get the watch. It feels good to end my career on a good note."

KRISTEN SCHULTZ, Kansas State, Women's Javelin

ON HER SISTER: "Having my sister back (after transferring) has given me a lot of moral support. We push each other to do the very best we can and not having her here last year, I felt that I was missing something."

ON HER PERFORMANCE: "I already have a provisional qualification to the NCAA, but it was my intention to come out to the Relays and try to set an automatic qualification. The winds were pretty strong today and that usually bothers me, but for whatever reason it didn't affect me today."

ON THE RELAYS: "I think it was very important to come out and perform well here. As a child I had always heard about the Kansas Relays and ever since it's been my intention to prove myself at this meet. It being close to home is also special because my family gets to come out."

# UNIVERSITY MEN'S AND WOMEN'S QUOTES

Ed Kaminski, Stars and Stripes, fourth-time winner

ON THE WIN: "The Kansas Relays is close to home and easy to get to. It is also a lot of fun to throw here. That's why I came here. I ended up a winner, even though I wasn't happy with my distance. My sore ankle kind of hindered my performance."

Kevin Toth, Unattached, University/Open shot put winner

ON HIS PERFORMANCE: "I didn't do so good because I'm training harder this season. I extended my training time. I was sluggish today. I had a pretty good practice throw, then I got into a mood that I couldn't get out of. This was a practice meet for me, but it's always nice to come here because of the crowd support. It makes you feel good and brings back a lot of memories.

Steve Duren, Unattached, University/Open Long Jump winner

ON HIS PERFORMANCE: "I felt strong and had good technique as far as adjusting to the board and carrying through. I had a few stutter steps but came through with a good jump. This meet gave me the chance to see what type of condition I am in, but it made me realize I need to go back on the track and work on things."

MEN'S SPRINT MEDLEY RELAY

TIM FORTUNE, SO. , ANCHOR

ON THE TEAM "We are a really young team. I am the only sophomore and all the other guys on this relay were freshmen , so I think we will only get better with experience."  
"Because we are so young it pushes everyone to be the top runner because no one has been established as the best runner. It makes us concentrate on beating our teammates more than we can think about beating other teams. However, I think this will make us all faster and help us in the long run.

WOMEN'S SPRINT MEDLEY RELAY

KATRINA LAWRENCE CASE, ANCHOR

ON THE RACE: "The main effect was we knew Kansas State's last leg is one of the best runners in the conference. She was what brought me down."

MEN'S BILL EASTON FOUR-MILE RELAY

DAVID JOHNSTON, ANCHOR

ON THE TEAM'S PERFORMANCE: "I'm disappointed. The entire relay team is made up of seniors, therefore we wanted to win. Due to circumstances, illnesses, etc., this is our best team that we have at this time. Another day, we could have won the event, but today it was our last relay so we're disappointed."

POLE VAULT WINNER

John Bazzoni, winner

ON WINNING THE KANSAS RELAYS FOR THE THIRD TIME: "It feels pretty good. THE winds were pretty bad during my warm-ups, but once I started to jump they were fine. I felt good during every jump, even though they weren't the prettiest jumps, they did the job."

ON JUMPING 18 ft: "I lost a little motivation there. I'm kind of disappointed because I should have made my last jump."

# UNIVERSITY MEN'S AND WOMEN'S QUOTES

## WOMEN'S TRIPLE JUMP

Kathy Janicke, Kansas State, winner, 40.11

On her performance: "I saved the best for last. I've been doing a lot of fouling this year. But, this week I finally hit one. I was eyeballing the marks on the side, hoping for the best. This is a personal record. I am happy; I finally think I've done something."

## Men's High Jump

Tom Suchan, Northern Iowa, winner

His goals at the Relays: "My goal was to come out here and jump well. I felt pretty good, but I was pretty wishful. Everybody was jumping so well, I just made the last jump"

On adjusting to the winds: "All the top three guys left were adapting their jumps to the wind. I don't really like to do that, but I was watching the other guys jump and did what they did."

## MEN'S POLE VAULT

Mike Heath, Individual winner

On winning the event: "I was really surprised. There was a lot of good competition, they just had bad days."

On the wind factor: "Every once in awhile the wind bothered me and change."

## CLIFF CUSHMAN 400 METER HURDLES

Joey Woody, Northern Iowa, winner

On winning the race: "I wasn't surprised. I feel last year, it feels good to win this year and this is a good meet."

On the wind factor: "The wind hurt me a little, but it wasn't so bad."

## WOMEN'S MILE RELAY

Kansas State University, first place winners

Nikki Green, anchor

On the winning factor: "It was all the first, two and three girl. I couldn't have done it without them."

Belinda Hope, first runner

On winning the race: "It feels real good. I wasn't surprised, I knew we could do it."

Carissa Owens, third runner

On the wind factor: "It was a bad factor, It was like a wall out of the turn. But it was better than I thought."

## MEN'S MILE RELAY

Oklahoma, first place winners

David Oakes, anchor

On the win: "I knew we had it won before I got it. We had been running at 46 and 47 seconds, and I am consistent at 45 seconds."

# UNIVERSITY MEN'S AND WOMEN'S QUOTES

## WOMEN'S TWO MILE RELAY

Kristine Westerby, Anchor leg, Michigan

On the team goal: "We're not looking to set any PR's because we worked really hard last week and also it is very windy today. We are just going for the win in all of our relays here. We are really focusing on the Penn Relays next week." On MU's late charge: "We knew Missouri had a strong team so we were aware of them the whole way."

## MEN'S TRIPLE JUMP

Clifton Ethridge Unattached

On the stadium: "This stadium is great. It is one of the top two in the country that I've competed in."

On the win: "I'm starting to feel better. In the past year I have hurt my neck and back in a car wreck, hurt my calf, and pulled my hamstring. I just want to keep getting better."

## WOMEN'S DISTANCE MEDLEY RELAY

Courtney Babcock Anchor leg, Michigan

On breaking the meet record: "I could hear the announcer. We had been hoping for good conditions. If they were good, we were going for the record. If not, we were going just for the win."

On the competition: "Kansas and Missouri have been our best competition as far as the relays go. We knew MU had a good 4 x 800 and there are always good runners at Kansas."

## MEN'S DISTANCE MEDLEY RELAY

David Johnston, Anchor leg, Kansas

On his final Relays competition at Kansas: "I felt scared. The intensity of the moment almost overcame me. It was my last Relays, my last chance to win a watch for my Mom. I had the best runners in KU history and a good group of friends to cheer me on, but I set all that aside and just got the job done."

On his career: "My senior year, I started to realize that there are a lot of people who care about my running just as much as I do."

## WOMEN'S 100-METER HURDLES

Laura Jerman, Michigan

On the weather: "The weather is a lot better than last year. There's a nice wind and I wouldn't to run the other way."

On her performance: "I felt a bit slow off the start and then turned up the intensity a notch and flew. I felt real quick over the last five hurdles. My technique was good."

## MEN'S 110-METER HURDLES

David Williams, Drake

On his performance: "If the time is correct on the scoreboard, then that's my best time and it feels great."

On returning to home state of Kansas: "It's nice coming home. Since I'm from Kansas, my family, my Dad, my uncle and his family and my Mom, are all able to attend. That's a very nice feeling."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

## BOYS JAVELIN THROW

DARRIN KURTZ, 213-5, 1st place

ON COMPETING AT THE RELAYS: "This meet is one of the best meets in the area. The competition is good and it was very important for me to do as well as I could. Being from Baldwin High, it's extra special to give a good local performance and make my coach proud."

ON HIS PERFORMANCE: "I tried to throw it as smooth as I could to get loft on it. I'm really pleased with my throw. It's my second best of the season and overall it feels good to win."

## BOYS TWO MILE RUN

DAN HOARTY, CREIGHTON PREP., OMAHA, 9:29.36, 1st place

ON HIS PERFORMANCE: "I was better in the second mile. At first it was hard to keep up and difficult to maneuver around."

ON THE WEATHER (Overcast, chilly and windy): "The weather was perfect. When you run you really don't feel the wind at all."

## GIRLS TWO MILE RUN

CHARITY SWARTZ, ANDOVER HS, 10:58.89, 1st place

ON HER PERFORMANCE: "I did pretty good. This is one of my better races, but I would like to do better."

ON FUTURE PERFORMANCES AT THE RELAYS: "This is my main run and I do my best in the early races. I may tire out though."

## GIRLS LONG JUMP

CANDY MASON, NEVADA HS, 18-5

ON HER PERFORMANCE: "It was my personal best and hopefully it will get me warmed up for the rest of today's events."

ON PRE PERFORMANCE JITTERS: "The way I was feeling this morning. I was really surprised did so well."

## BOYS 300METER HURDLES

BOBBY WILLIAMS, GREAT BEND, FIRST PLACE

ON THE RACE: "I couldn't get beat at KU. You never know if you will be here again."

ON THE FINISH: "I switched legs. I was on the wrong foot going over the first hurdle. I have gotten stronger over the summer, so my strides made it up in the end."

## GIRLS DISTANCE MEDLEY RELAY

ANDOVER HS,

CHARITY SWARTZ, anchor leg

ON THE COMPETITION: "We (Blue Springs runner and Swartz) did this last year, but I couldn't catch her last year. We all had good times. It was Kelly Watson's first time to run the quarter. The competition is harder than our (4A) State (Meet)."

ON THE KS RELAY RECORD GOAL: "It wasn't our goal in this race. I wanted to break the record in the two mile."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

BOYS MEDLEY RELAY

JENKS HS, NEW KS RELAY RECORD

BRIAN

ON A COME\_FROM-BEHIND WIN "I felt like I was going a lot slower. I just wanted to win so bad and on the last lap I really felt great. It's great to win because none of the guys on my relay have ever won at the Kansas Relays except for me."

JENKS COACH, JOHN MCGINNIS

ON THE ANCHOR LEG: "Brian has had great workouts all week. We've only been training for four weeks, so I was really impressed. That was quite a leg by him. It was the best I've ever seen him run an anchor leg.."

ON THE WIN: "This was the third year in a row that we have won this event and I am just so happy for these guys. Usually Brian is our lead-off runner in this race, but this year we decided to let him try the anchor. I am really proud of him."

JASON JONES, WASHINGTON-K.C.

Boys' High Jump

ON HIS PERFORMANCE: "I felt I could do a lot better, but one of my goals was to win this event."

ON THIS YEAR'S RELAYS: "My other KU Relays haven't been as good and this was a personal best, so I feel really good about myself."

BRIAN YOUNG, JENKS HS

BOYS' MILE RUN

ON HIS PERFORMANCE: "I've only been running a month because of a hip injury. I ran the same time today as I did in the state meet last year. I have three weeks to get ready for this year's state meet. I'm going to give it everything I've got. Today I gave it everything I had. Sometimes that's enough, sometimes it isn't. But today it was for me."

CRISTY SWARTZ, ANDOVER HS

GIRLS' MILE RUN

ON HER PERFORMANCE: "I did a great job pacing myself today. I actually had some competition."

Winston Tidwell, Topeka West

800 meter run

ON BREAKING THE KU RELAY RECORD: "It was real tough. There was some real tough competition out there. They really surprised me when they were gaining up on me, but I think it helped me."

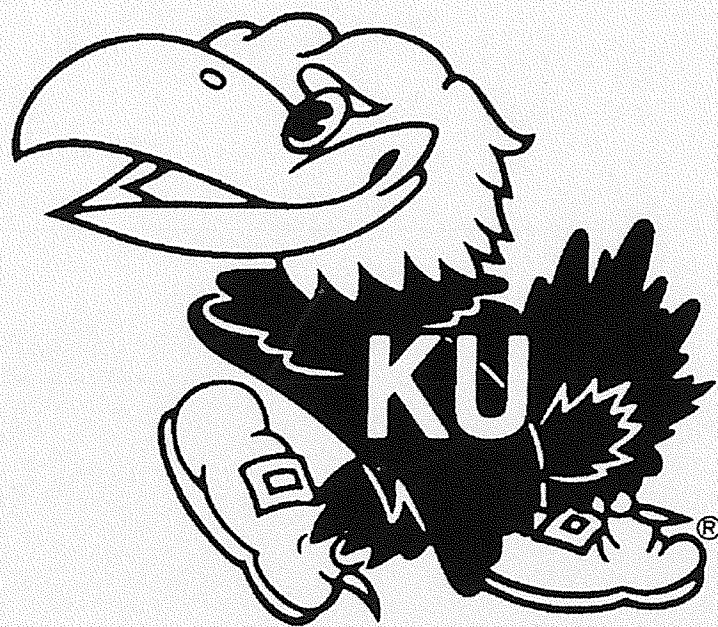

ON HIS RECORD TIME: "I am happy with the time. I haven't had a good time yet. Going into the race I didn't know how it was going to go, but I feel real good about this race."

CANDY MASON, Nevada (Mo.) HS

High Jump

ON HER PERFORMANCE: "It's just a great feeling. It's been a year and a half since I jumped my personal best. This is my first year at the Kansas Relays. I'm a senior and I wish I could have come all three years. I like the competition."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

## GIRLS TWO MILE RELAY

Charity Swartz, Andover, anchor

On the competition: "This was our third appearance in the Relays and there was a lot of tough competition this year. It was a lot tougher than our state competition or for all year as far as that goes."

On next year's relay team: "Next year we should have a really good team also. We can only have four girls on the team, but our alternate is as good as any of us and she's only a sophomore."

## BOYS TWO MILE RELAY

Winston Tidwell, Topeka West, anchor

On the race: "I though we did real good. There was a lot tougher competition than last year. The whole team ran a really great race. We all felt really good about it."

## BOYS DISCUS THROW WINNER

Ryan Dicus, Jenks

On the wind factor: "Yes, it had a lot to do with it. Everyone was trying to throw high, but you had to throw low into the wind. That's what I did."

On his performance: "Yes, I'm happy. It was my best throw this year -(175.1)."

On the competition: "It was the best I've seen since I'm from Oklahoma. I hadn't seen any of these guys except one."

## BOYS' 110-METER HURDLES

Bobby Williams, Great Bend

On his performance: "I feel good, I ran hard and I got lucky at the end. Brian Yates (Sedgwick HS) had it won, but that's the way it goes in hurdles. He got tired."

On his comments to Yates: "I told him, it's not like this is state. We're only in high school and we've three weeks to prepare for state."

On winning the race after Yates fell: "The victory doesn't mean as much when it happens like that."

## GIRLS 100 METER HURDLES

Candy Mason, Nevada High School

1st place

On the event: "This is my personal best and I had no idea that I would do so well"

On her Relays performance: "Everything is going right, I can't believe it. This is the best track meet I have ever had in my whole life"

## GIRLS 100-Meter Hurdles

Danielle Hill, Union City High School, 2nd place

On the wind: "It helped a lot. It was kind of strong, it helped me, but it was more my ability but I got a lot of push."

On the competition: "This is an excellent competition. I felt really good. Last year I came and didn't even qualify for the finals, now I just want a medal."

# HIGH SCHOOL BOYS' AND GIRLS' QUOTES

## GIRL'S SHOT PUT

Leslie Schlegel, Union, winner, 41.4 3/4

On her competition: "I threw with most of the girls last year. I'm not really concerned with my competition, I'm more mentally concerned with my personal record right now."

On her performance: "I didn't do as well as I thought. I was looking for a personal record and I didn't get it."

On being at the Kansas Relays: "It's important to me. I've been here since my freshman year and I've improved each year."

## BOY'S TRIPLE JUMP

Damon Ruiz, Shawnee Mission North, winner, 47.7 3/4

On his performance: "It's my season's best. Coming in, I was only jumping 45. My first two jumps were 43, I don't know how I got that last one to be 47. I've never had people trying to beat me and I had to get used to that. It's a good feeling winning an award at the Kansas Relays, but I set a school record, too, and that's the best feeling."

## GIRL'S TRIPLE JUMP

Dee Dee Fortman, Park Hill, winner, 38.10

On the Relays: "This is my first time at the Relays. It's a great experience because this is the school I want to go to."

On her competition: "Yesterday, everything went wrong. Because of that, I was just motivated today and it made me jump far."

## BOY'S 400 METER RELAY

Kalon Salen, Topeka High, anchor

On his performance: "That was fun. But, the last 100 was hard because I thought I was behind. At the end, I thought it was a tie. The win feels good because I didn't think we could do it."

On the wind: "The wind was so strong; it felt like it was picking me up."

## BOYS' 1,600-METER RELAY

Chris Triplett, Putnam City H.S., anchor leg

On the teams performance: "We were trying to go for 3.18 but we just couldn't make it."

On his lap: "I was a little winded around the last turn, but the last 200, I really tried to kick it in. Every time I run as hard as I can so I was satisfied with that."

## GIRLS' MILE RELAY

Hayden High School, Bridgett Geghand, anchor

On capturing first place: "I didn't think we had it. I knew nobody was ahead of me, but I kept thinking they (Emporia High) were going to catch up."

On the Kansas Relays: "It feels were good coming here and winning it."
