Quoting the College Men

April 19, 1996

Men's College Shot Put
Aaron Banks, Concordia College

ON HIS THROW: "I wanted to be a 58' but I was sick all week and didn't know what to expect. It was a really nice day; it was worth the drive."

Men's Sprint Medley Relay
Einars Turpuritis, Wichita State University, anchor

ON THE RACE: "It felt pretty good but we need to work a lot harder, a lot harder. We just tried to keep it in the top three. We just tried to do our best."

Men's College Long Jump
Chris Wright, Kansas City Kansas Community College

ON OVERCOMING HIS INJURY: "I was just happy to be able to compete this year. Every athlete here is great. Determination is what sets you apart."

Wes Santee 1500 Meter Run (Men's College)
Phillip Maiyo, Barton C.C.C.

ON THE WIND: "The wind made it really tough but I just set my own pace. This is the first time I've run in the Relays so winning is really exciting."

Men's College Javelin
John Corwin, Emporia State

ON HIS WINNING PERFORMANCE: "I feel my distance was below average. I was trying to hit 230' but mother nature played a role in that today. I won the Relays last year and for a thrower, this is a competitive field."

ON UPCOMING EVENTS: "Next week I'm going to the Drake Relays. I won the Texas Relays and now the KU Relays so I'll be going for a triple crown next week at Drake."

Columbia Healthcare Kansas Relays
Quoting the College Women
April 19, 1996

Women's College Long Jump
Candice Robersen, Hutchinson Community College

ON HER JUMP: "I jumped good. I was not on my mark; my last jump was my best but I was off."

Women's Shot Put

LAURA RAND - EMPORIA STATE

"I was throwing well, I popped a pretty good throw. I feel like I'm going to bust a big one, we'll see. It was a beautiful day to throw."

Women's College 800 Meter Relay
Dalena Seufert, Pittsburg State, 2nd leg

ON THE RACE: "This felt really good. This is the first time we've run this all year. We weren't sure how it would turn out but now that we know, we're pleased with the results."

Women's 1500 Meters
Evette Turner, Barton C.C.C.

ON HER RACE: "This race wasn't too tough for me because there wasn't really any competition. This is the first time I've run in the Relays and it felt great."

Women's College High Jump
Cindy Leingang, University of Mary

ON HER CHANCE TO COMPETE: "We're an NAIA program so it's nice to compete at a meet with these types of facilities. It's really comparable to a national meet."

ON HER WINNING JUMP: "I'm not really happy with my jump. I needed a 5-6 to compete for nationals so another inch or so would have been nice."

Stacy Dragila bettered her own American record today in the women's special invitational pole vault (an exhibition event at the 1996 Olympics). She cleared 13-6 1/2, upping her previous record of 13-5 1/4 set on March 2 at the U.S. Indoor Championships. See the biographical sketch for more information on Dragila who is currently serving as a graduate assistant coach at Idaho State University.

Dragila's effort was the first American record set at the Kansas Relays since 1987 when Joe Dial cleared 19-4 3/4 in the pole vault (invitational).

Missouri claimed two women's university/open relay titles today. Erin Windler, Ann Heffner, Jessica Haremza and Rebecca Davis combined to win the two-mile relay (9:13.82) as well as the distance medley relay (12:04.67). The DMR victory was the second in as many years for the Tiger women.

Missouri's men also took home two men's university/open relay victories, winning the distance medley today (10:16.38) and the four-mile event on Friday (17:14.40).

Kwani Stewart of Nike Central established a Kansas Relays record in the women's university/open 100-meter hurdles with a time of 13.28. A former standout at Nebraska, Stewart bettered the previous record of 13.44 set by Dianne Rose of Barton County Community College in 1991. Stewart's effort today improved her previous personal best of 13.46.

Former Kansas distance ace Michael Cox became the third KU graduate to eclipse the 4-minute mark in the mile today. Cox clocked a 3:59.20, en route to winning his second consecutive Relays special invitational mile crown. Last year he nearly broke to 4-minute mark with a 4:00.95 clocking. Cox's effort marked the first sub-4 minute mile at the Kansas Relays in 24 years (1972). Joining Cox as Jayhawks to break the 4-minute mile barrier are Jim Ryun and Bill Dotson.

Kansas senior Dawn Steele-Slavens claimed her second consecutive Kansas Relays 400-meter hurdle crown today, clocking a 1:00.30.
