Each campus will incorporate a Unity Message into its pre-game run of show. Messages can include PA announcements, and/or student-athlete videos, which will run prior to the start of competition. Additional unity/social justice messaging options for teams include a Conference approved and uniformed unity/social justice game-jersey patch and slogans on warm-up shirts.

The Big 12 has set the minimum number of players required to play a game this season at six scholarship players. If a team does not meet the established threshold, competition is at institutional discretion. Additionally, at least one countable coach (as defined per NCAA Bylaw 11.7.1.1) must be available in order to have a contest.
