KAI pays this subscription annually (i.e., one-time payment in a 12-month period).

This service is made available to all universities/colleges desiring to subscribe.

The printed and/or video/DVD materials being provided to Kansas Athletics are identical to the materials available to all other registering institutions.

KAI is paying the same fee as all other subscribers for the recruiting/scouting service, regardless of any conference affiliation or level of NCAA divisional status.

This service publicly identifies all applicable service costs and you have provided a document or website address showing all cost associated with this service.

FOOTBALL & BASKETBALL SERVICE INFORMATION *(check all that apply)*

This service provides samples or previews of the information prior to purchasing the annual subscription and you have attached an example report, video preview or website address where a sample may be viewed.

This service provides access to printed materials and/or video/DVD materials only (no verbal/oral reports are provided)

This service ONLY offers video services.

This service disseminates information (i.e., reports, profiles, etc.) about prospects at least four times per calendar year. (If video service only, does not apply).

The information includes individual analysis of each prospect included in the information provided. (If video service only, does not apply).

This service does not include the placement or matching of prospects to KAI by the recruiting/scouting service or their representatives. All subscribers must receive identical information.

Note: A high school or two-year college is not a recruiting service and therefore may not be paid for providing information or film. Institutions are limited to providing a high school or two-year college with the cost of a blank tape and postage for sending the tape to the institution.
