Acting as a student host requires appropriate conduct and following guidelines set forth by the NCAA, Big 12, and Kansas Athletics. You must notify a coaching staff member of your sport or the Compliance Office with any questions or inquiry pertaining to a prospect's visit to campus. Please review the following regulations:

- 1) A maximum of **\$75** per day may be provided to the student host and must only be used for appropriate entertainment expenses (i.e., bowling, movies, etc.) in addition to permissible meals and KU complimentary admissions. This cash may be used to entertain only the student host, the prospect, the prospect's parents/legal guardians, or the prospect's spouse. These funds may not be used to entertain the prospect's sibling(s) or friend(s). These funds may not be used to purchase gifts for the prospect (i.e., clothing, souvenirs, memorabilia, etc.). Lastly, a student host may be provided an additional **\$40 per day for each additional prospect assigned to the host.**
- 2) Cash may not be given to the prospect or anyone accompanying the prospect at any time.
- 3) You may not use a vehicle that is provided or arranged for you by an institutional staff member or booster of the athletics program. Further, you should never allow a prospect to operate your personal vehicle.
- 4) You may not entertain or transport the prospect or anyone accompanying the prospect more than 30 miles from KU's campus.
- 5) You should never allow or arrange communication or contact between a prospect and a booster (this includes former student-athletes).
- 6) The prospect may participate in physical workouts or other recreational activities provided such activities are not organized or observed by the coaching staff and are not designed to test the athletic ability of the prospect. Should this occur, no athletically related information may be reported back to the coaching staff. In the sport of basketball, a prospect may participate in a schedule and previously approved on-campus evaluation in which the coaching staff may be present and conduct the workout. Only during such an occurrence may the prospect use KU athletics apparel on an issuance and retrieval basis.
- 7) You may receive one complimentary admission (via athletics pass list) to accompany a prospect to a home athletics contest. Additionally, you may also receive meals in conjunction with hosting the prospect.
- 8) You may not publicize the prospect's visit to campus (post on social media).
- 9) As a student host, you may not engage or allow the prospect to engage in the following activities (this list is not exhaustive):
  - a. Consumption of alcohol, use of drugs, engage, encourage or allow sex-related activities, or any other activities that would violate federal, state, or local law.
  - b. Gamble or wager anything of value on any NCAA-sponsored sports at any level.
