# NEW SEAT BACK OPTION

Kansas Athletics has partnered with 4Tops to provide a brand-new premium seat back option for all season ticket holders. The AirFlow Mesh Bleacher premium seat provides added comfort from its zero-pressure point airflow mesh to cool you in high temperatures, and keep you elevated from a cold bench in low temperatures. The durable and comfortable seating option also dries instantly with its mesh base. For only \$50, less than \$10 per game, you can add this great seating option to your account. If you order the new seat back as part of your season ticket purchase, it will be permanently fixed to your seat for all home games. Please include the number of seat backs you would like to order on the front of this application.
