Parking Permit Request for 2022

Team: _____ Girls _____ Boys _____ Both _____

Coach: _____ E-mail: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Fax: _____

We are working with the Rim Rock Farm neighbors and county officials to provide the safest and easiest team parking possible. As the meet has grown, team parking needs have changed.

Please fill out this form and email to epenning@ku.edu by Wednesday, September 7th.

TEAM BUSES

Due to safety concerns and road conditions, we are limited as to the number of team buses we will be able to park on the road adjacent to Rim Rock Farm. If you are able to bring vans to the meet, please do so. The 35 available bus passes will be distributed on a first come / first served basis to those who respond first by emailing this form into the track office. Buses with a "B" pass will only be able to drop off athletes before the competition and pick them up at the conclusion of the meet at the designated drop-off area, depending on the weather conditions.

- Yes, I would like to request a team bus pass (**max of 1 per school**) for the 2022 Rim Rock Classic. If bus passes are still available, please mail to my address above.

TEAM VANS

Team vans will be able to park in the field directly north of the start/finish area. If at all possible, we encourage you to use team vans rather than buses in order to decrease the demand on the limited space available for safe bus parking.

- Yes, I would like to request _____ team van pass(es) (**limit of 5 for team use**) for the 2022 Rim Rock Meet. Please mail these to my address above.

In order to reserve parking passes for the 2022 Rim Rock meet, this form must be received via email at epenning@ku.edu before noon on Wednesday, September 7th. Any van without a team van parking pass will need to pay the \$10 parking fee charged to all other vehicles. Buses without a bus parking pass will only be able to drop off athletes and return at the conclusion of all races. Parents and fans will be charged a \$10 parking fee.

Thank you for your help and understanding with this important aspect of the meet!
