JAYHAWKS IN THE PROS/ALL-AMERICANS

GARY WOODLAND – PGA TOUR

One of the game's most reliable and steady players on the tour, Woodland regularly turns heads with his drives off the tee box, but there's more to his game than extreme distance.

The 2007 Kansas graduate (sociology) owns one major win, four PGA Tour wins, 10 second-place efforts and two third-place finishes over his 15 seasons. During that span, Woodland owns 29 top-5 finishes and 54 top-10 efforts. After playing in 340 career tour events, Woodland's collected earnings stand at \$33,423,884.

Woodland captured the 2019 U.S. Open at Pebble Beach at 13-under par. Woodland shot rounds of 68-65-69-69 to win his first Major Tournament. He outlasted multi-time Major Winner, Brooks Koepka, by three strokes. The win at the U.S. Open is one of four PGA Tour wins for Woodland in his career. The others are The 2011 Transitions Championship, the 2013 Reno-Tahoe Open and the 2018 Waste Management Phoenix Open.

Other memorable finishes for Woodland include the 2016 Barracuda Championship, where he previously won in 2013. He began his final round of The Barclays, in

2016, four strokes back of leader Rickie Fowler and closed with a 2-under 69 to finish T4 at 7-under 277, his second top-five finish at The Barclays (T2/2013).

During the 2014-15 season, Woodland posted four top-10 finishes in 21 starts and earned himself a fourth return to the FedExCup Playoffs. Also that year, he opened 71-70 at the CIMB Classic in Malaysia then put himself into contention with a third-round, 6-under 66 at Kuala Lumpur G&CC. Woodland entered the final round tied for fifth and made a run at the title Sunday, shooting a 67. He finished T2 with Kevin Na and Sergio Garcia, three shots behind winner Ryan Moore. Woodland earned his second top-three finish of the season at the 2015 Sony Open in Hawaii.

Woodland established himself as a perennial presence on the tour during the 2013-14 season. He made the cut a career-high 23 times in 25 starts, with a playoff loss at the CIMB Classic the best of his five top-10 finishes and ended the season No. 22 in the FedExCup standings.

The Topeka native concluded the 2012 regular season

ranked 10th in the FedEx Cup point standings and played well enough in the FedEx Cup Playoffs to be one of only 30 golfers to qualify for the prestigious TOUR Championship.

Woodland turned in his best season as a pro in 2011 when he claimed five top-five finishes, won the Transitions Championship and teamed with Kuchar to win the World Cup in China - both events he claims as his biggest thrill in golf. His biggest thrill off the course? Playing basketball against Kansas in Allen Fieldhouse as a freshman at Washburn, prior to transferring to KU to play golf. Woodland remains an avid supporter of the Jayhawks and attends many games.

While at Kansas, Woodland competed in a total of 50 events and won the 2005 Cleveland State Invitational, 2006 Kansas Invitational, 2007 All-American Golf Classic and 2007 Louisiana Classics. Woodland qualified for the NCAA Regional three times in his career, twice as a part of the team in 2004 and 2007, and once as an individual in 2006.

JAYHAWKS IN THE PROS/ALL-AMERICANS

CHRIS THOMPSON – EGOLF TOUR AND WEB.COM TOUR

Thompson proved he's still got it with a win at the 2013 Championship at Ballantyne Country Club - marking his third on the tour since the 2010 season. In 2016, Thompson made four starts on the Web.com Tour and finished T44 at the Greater Dallas Open. He played a pair of PGA Tour events in 2014, finishing T64 at the HP Byron Nelson Championship, but missed the cut in his first U.S. Open appearance at Pinehurst. In 2010, he claimed his first eGolf Tour title at the HGM Hotels Classic at Rock Barn, while win No. 2 came at the Columbia Open in May of 2011. At KU, Thompson was a three-time All-Big 12 selection (1997-99) and still holds the Kansas record for lowest round in an NCAA Tournament with a 69 in the second round at the 1998 NCAA Championship.

JOHN SINOVIC – (ALL-AMERICAN 1988)

Recorded six top-10 finishes during his career and never finished outside the top-25. Won the 1988 Kansas Invitational and placed second at the Big Eight Tournament as a junior. He finished 19th at the 1988 NCAA Championships. Sinovic was the first player in Jayhawk history to compete in the prestigious Hancock-Sun Bowl College All-American Golf Classic.

MATT GOGEL – PGA TOUR AND PRO GOLF ANALYST

Gogel spent seven seasons on the PGA Tour before retiring after the 2007 Pebble Beach National Pro-Am, an event where he had his best professional success. The 1994 Kansas graduate won the 2002 AT&T Pebble Beach National Pro-Am, while also placing second at the event in 2000 for his best PGA finishes. Gogel played in 94 Nationwide Tour events, claiming six individual victories and posting 18 top-10 and 29 top-25 finishes. He was the first player in Nationwide Tour history to post a victory in four-consecutive years. Gogel remains active in professional golf as an analyst for the Golf Channel.

RYAN VERMEER – PGA TOUR

In 2017, Vermeer became a certified PGA professional in order to work as a professional instructor. By becoming certified, he made himself eligible for the PGA Tour, and later qualified for the 2017 PGA Championship at Quail Hollow in Charlotte, N.C. During his time as a Jayhawk, Vermeer led KU in scoring average during his All-American years in 1999 (72.80) and 2000 (71.31). His 71.31 scoring average is the second-best individual season in KU history. He won a school-record seven individual titles, including four during his senior year. Vermeer's name also sits at second place in the KU history books for best single-round (63) and tournament score (202) since 1987.

CHASE HANNA – (ALL-AMERICAN 2016)

At the end of one of the most impressive four-year runs in KU golf history, Hanna was rewarded with All-America honors. His senior campaign included setting single-season records for lowest 18-hole score with 61, most rounds even or under par with 27 and lowest season average with 70.85. Hanna also became the only golfer in Jayhawk history to individually win the Big 12 Championship.

CHRIS MARSHALL – (ALL-AMERICAN 2002, 2003)

Named All-America in back-to-back years in 2002 and 2003, Marshall recorded 17 top-10 finishes during his career and was named All-Big 12 in 2002 and 2003. As a senior, Marshall was the Jayhawks' top finisher in 10 of 14 events. Marshall was also named Academic All-Big 12 in 2001.

JAYHAWKS IN THE COMMUNITY

Folds of Honor is rallying a nation to ensure no family gets left behind in the fight to preserve American freedom. Through scholarships and other assistance, we're giving back to the spouses and children of soldiers killed or disabled in service to our country. We're providing healing, hope and an opportunity to realize their dreams with the help of people like you. This is our mission.

Returning home from his second tour of duty in Iraq, Major Dan Rooney, an F-16 fighter pilot in the Oklahoma Air National Guard, golf course owner, PGA Professional, USGA member and graduate of the University of Kansas – became painfully aware of the reality families face when a loved one in uniform is killed or wounded.

As his flight landed, the pilot announced they carried the remains of Corporal Brock Bucklin on board, asking all passengers to respectfully remain seated while his casket deboarded.

Major Rooney watched as Corporal Bucklin's twin brother walked somberly alongside the flag-covered casket to meet his family. Among them was the deceased Corporal's young son, Jacob. Major Rooney ached as he thought of his own wife and little girls.

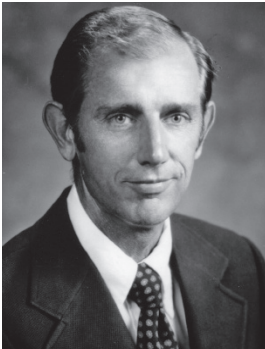

Being the other side of war through the eyes of Jacob, was life-altering.

Sadly, over half the passengers had disregarded the pilot's request and deboarded. Major Rooney decided he had to do something. Not only would he pay tribute to American soldiers and their families, he would live as a reminder among civilians that it is our duty to honor the sacrifices of those who preserve the freedoms we so easily take for granted.

Major Rooney committed to spend his life changing the future of America's grieving spouses and children. In 2007, he formed the Folds of Honor Foundation; a 501C-3 nonprofit organization dedicated to providing educational opportunities to the families of these heroic Americans.
