## IMPORTANT SEASON TICKET INFORMATION

As you are renewing your tickets, you will notice that you will be able to select a seating tier in both Children's Mercy Park and GEHA Field at Arrowhead Stadium. The tiers that you select will calculate your final cost, and you will also have a chance to view available seats in all tiers during the Select-A-Seat process. Purchasing a tier does not guarantee availability of seats within that tier at your priority during Select-A-Seat. If you do not receive seats within the tier you purchased or if you choose to upgrade, your card will be charged/refunded the difference between the tier you purchased and the tier you select seats in. **Accounts cannot purchase a quantity above their 2023 season ticket quantity. We do not anticipate any opportunity for any new six game season ticket purchases at this time.**

Please note, club seats at both venues do not include food and beverage in the cost.

All tickets will be mobile. Printed tickets will not be an option.

Full season ticket holders for the 2024 season will have priority for the 2025 season – the first inside the transformed David Booth Kansas Memorial Stadium.
